RI President Message

Dear District 3230 club officers,

My warmest congratulations on your installation as 2015-16 Club Officers.

Just as Rotary brings out the best in each of us, so too you, as an officer, will bring out the best in your club. Your passions and strengths will energize your fellow members, which will only increase your club's effectiveness. As a leader, you have a rare opportunity to motivate others in your club to greater integrity, compassion, and Service Above Self. It is not just a responsibility, but a gift to be able to have such an impact.

Each club officer has a vital role to play in the continued success of Rotary. Dedicated members are the bedrock of our service. During your term, your innovative and committed leadership will be the fuel that powers the Rotarians in your club and the good work they do. Rotary is only as strong and vibrant as its clubs, and local officers are the heart and soul of Rotary.

The work you do this coming year will not only improve Rotary, it will improve you and the world around you. I look forward to the unique ways that you will encourage your fellow members to Be a Gift to the World.

K.R. Ravindran

*2015-16 President
Rotary International*

Message from District Governor

My dear fellow Rotarians,

My gratitude to the Rotarians of our District for having given me the privilege of serving our District 3230 as Governor, of course, with all your good wishes. It is one of the most cherished year in one's Rotary Career.

Together we shall strengthen the bonds of Friendship and Fellowship to do Good in the World through various avenues of service.

What a coincidence in our thought process, while we have requested our Rotarians to do away with the customary personal gifts (Bouquets, shawls and mementos) in the coming year, the theme aptly echoes that we should "Be a gift to the world" with our love, affection and active contributions to the community.

The year 2015-16 is an opportunity for all of us to recall, recollect and acknowledge all the gifts, we have received in our life, a good family, good friends, health, source of income and many more, that reflect our brighter side of our life. It is prudent for us to contribute to the happiness of others by making their lives better. Will we not, "Be a gift to the world?"

The year 2015 – 16 shall be a year to experience and cherish this theme.

RIPE Ravindran is focused on the goals for the coming year and they are easy to achieve considering the experience, good will and aspirations of each one of us.

He has called the incoming District Governors of the coming year as "World Class Governors" signifying that we have to look beyond regions and boundaries, races and languages, religions and cultures in our outlook to serve and be a gift to the world.

This is a good opportunity to pool all your clubs' resources, develop leadership skills and team work for a year full of fellowship, friendship and service to humanity.

Message from District Governor

Let me remind you that apart from rejuvenating your club with good fellowship, family participation, membership retention and growth, please plan for a good and sustainable service project that will benefit the community and “BE A GIFT TO THE WORLD”.

Wishing you, your spouse and children a very peaceful and healthy year to enjoy the good things in life.

With warm regards

Yours in Rotary,

Rtn. C.R.RAJU

RCMW President Message

Dear Fellow Westarian,

The much awaited Golden Jubilee of our club has arrived and it is indeed both a privilege and honour to be the President during this land mark year. I am as much humbled at the faith and confidence you have reposed in me as I am excited at this unique opportunity to take up the leadership at this historic moment in the annals of our Club.

I am aware that it is a huge responsibility to shoulder but, I am confident, that the wonderful team that is Madras West will extend the best of its support and make it easy for me to shoulder it.

The best is yet to come, in RCM West! Not many clubs in Rotary can boast of producing four District Governors, some of whom have even risen beyond District levels to make a mark, internationally. PDG. Rtn. Subu was elected the District representative to the prestigious Council on Legislation while PDG. Rtn. V. Raja Seenivasan currently the Regional Rotary Foundation Coordinator. Our Immediate Past President Rtn. Ramaprasad Sreenivasan and his team have won great laurels for us at the District.

All these high bench marks and motivate us towards creating excellence both in our programs and projects. This motivation should result in better service to society.

Our golden jubilee special project – the dialysis unit at TMC needs to be completed before our GJ charter day on 25th October 2015. This Global Grant project needs maximum fund raising support from our members both through personal contributions and funds raised through donors outside of our Club. I request each and every member of RCMW to take this task of fund raising seriously and supplement the strenuous efforts of TEAM TMC led by Rtn. PP. Venkatesan and Rtn. PP. Panchanadan.

The Board and Committee Chairmen represent a beautiful mix of experience, wisdom and youth which I trust will guide MADRAS WEST to greater heights.

The RI theme for the year “BE A GIFT TO THE WORLD” in its simplest sense exhorts us, Rotarians, to come forward to give our bit back to the society.

RCMW President Message

I request each and every member of the Madras West family to join hands and walk with me on this exciting journey.

Together we can!

Yours in Rotary,

Rtn. R. Chandramohan

Dear Westarian,

Dt. 28th June 2015.

FUND RAISING EFFORTS FOR OUR DIALYSIS PROJECT

Our club's prestigious project for the Golden Jubilee is setting up of a Dialysis unit at our Tiruverkadu Medical Centre. This facility will provide dialysis at cost price to poor patients. We have received a global grant of Rs.18 lakhs for purchase of Dialysis machines from RI. But the facility has to be constructed from our resources only and we have set the target date of Oct 25th 2015 (our charter date) for inauguration.

Successful completion of this prestigious project needs maximum fund raising support from our members. The estimated cost of setting up this facility is Rs.50 lacs. Though we have received commitments in cash and kind, there will be a shortfall of Rs.25 lacs which has to be met by our club members only.

The appeal letter is enclosed herewith. I sincerely request each and every member of West family to take this task of fund raising very seriously and supplement the strenuous efforts of TEAM TMC led by Rtn. PP. Venkatesan and Rtn .PP. Panchanadan by liberally contributing atleast Rs.50,000 per member either out of personal funds or through donations and contributions from your family, relatives, friends, business associates etc.

Our project is sure to leave a beneficial footprint on the society and touch thousands of patients who are in dire need of critical lifesaving dialysis. I have utmost confidence that our committed club members will rise up to this momentous occasion in our club's history and help finish the project in time.

Yours in Rotary,

Rtn. R. Chandramohan,

CELEBRATING GOLDEN JUBILEE

Rotary

information

Paul P Harris

Paul P Harris, the father of the Rotary Movement was born on April 19, 1868. When he passed away on January 27, 1947, he left behind a rich legacy of fellowship and brotherhood for international understanding and service to humanity. Today the seed he sowed in 1905 has blossomed into a large tree covering 166 geographical regions with over 31,000 clubs with a membership of over 1.2 million. Given here are a few excerpts from his speeches and writings which are as much valid in today's world as they were during his life time.

1. "This is a changing world, we must be prepared to change with it. The story of Rotary will have to be written again and again."
2. On Fellowship: "Fellowship is wonderful, it illuminates life's path way spreads good cheer and is worth a high price."
3. On Friendship: "Friendship was the foundation rock, on which Rotary was built and tolerance is the element which holds it together"
4. On Business: "In the Rotary plan, business is an important part of life but it is not the all of life. He whose vision extends no further than his field of business is to be pitied."

Rotary Wheel

Montague M. Bear - 'Monty' as he was known joined Rotary Club of Chicago in 1905, its charter year. Because of his classification "Designing and Engraving" his fellow members asked him to design a emblem for Rotary. He gave them a sketch of a simple buggy wheel - a basic design, representing civilization and movement. Later, some members felt that the wheel was too plain and asked Monty to dress it up. He added a cloud of dust, then some streamers, and the word "**Rotary Club**". The design underwent several changes and in 1919 the wheel as we now know it, was officially adopted. In 1924, one final improvement was made; the wheel was given a keyway, making it "worker" rather than an "idler". Today that wheel "works" for Rotary everywhere.

Monty was made an honorary member of the Rotary Club of Chicago in 1935. The distinguishing "logo" has survived the organization's first 100 years. Monty remained a Chicago Rotarian until his death, in his late 70's. Today the Rotary Wheel identifies Rotary and Rotarians in every corner of the world.

Objects of Rotary

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

FIRST. The development of acquaintance as an opportunity for service;

SECOND. High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society;

THIRD. The application of the ideal of service in each Rotarian's personal, business, and community life;

FOURTH. The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

4 Way Test

Of the things we think, say or do

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?.
4. Will it be BENEFICIAL to all concerned?

Attendance & Subscription

Attendance at Rotary Meetings is obligatory for every Rotarian.

Membership of a Rotarian is liable to be terminated if the attendance falls below 60% of the total number of meetings in a Rotary Year. There is scope for getting attendance credit by attending meetings of other Rotary Clubs (called Make-up) and /or attending projects authorised by the Board, within 14 days prior to or after the date of the meeting. When a Rotarian makes-up at another Club, he/she should request the Secretary or any other Office Bearer of that Club to report his/her attendance to the Home Club. It is also a mandatory duty on the part of each Rotarian to pay his dues within the stipulated date.

Attendance – Basic Rule

Every member must attend 60% of the meetings (computed every half year) and he / she is considered to have attended a meeting only if he / she is present for at least 60% of the time at the meeting. As per RI rules, failure to conform to this attendance will mean automatic removal from membership.

Secretary's message

Dear Rotarians,

Our Rotary club of Madras West is reaching a great milestone of completing 50 Years of Service in this great organization. It gives me immense pleasure and pride to be part of this Golden Jubilee Year team as the club's secretary. 50 Years passed by and what a great achievement and changes our club have gone by, notwithstanding all the turmoil and standing as a tall example to other clubs.

No man is rich enough to buy back his past, just memory stays with us.

Our west, had many outstanding leaders and has the potential to produce many more. I wish we all come together and achieve more.

"If everyone is moving forward together, then success takes care of itself"

"Life is not about getting and having, it is about giving and sharing."

I have learned that people will forget what you said and what you did, but will never forget how you made them feel. I'm feeling great to be a part of this wonderful club and wishing you all a great year ahead.
